To Whom It May Concern,

I am honored to recommend Mr. Tabassum Ashfaq for admission to your prestigious Master's program. As his professor in the Department of Software Engineering at the National University of Modern Languages, I have had the privilege of witnessing his dedication, perseverance, and eagerness to learn.

Tabassum is a committed and hardworking individual with a keen interest in problem-solving and analytical thinking. He has consistently performed well academically, his strong determination and ability to overcome challenges highlight his potential for success at the graduate level. He consistently demonstrates a proactive approach to learning and is always willing to enhance his technical skills.

Beyond academics, Tabassum is a respectful and cooperative student who thrives both independently and in team-based settings. His enthusiasm for learning, adaptability, and problem-solving capabilities make him a strong candidate for further studies.

I strongly support Mr. Tabassum Ashfaq's application and am confident in his ability to excel in your program. Please feel free to contact me if you require any additional information.

Sincerely,  
Muhammad Waqar  
Assistant Professor
